ANNOUNCEMENTS BY MAYOR AND COUNCIL

Mayor and council wanted to remind that 4th of July was coming and in order to fire off fireworks a permit had to be bought through the City of Cache for \$15. Curfew for firing off on a weekday was 11 p.m.

It was asked why the school zone flashing lights were still on. Officer McCarty stated that with all of the construction and the recent accident with a pedestrian crossing the highway, they thought it would be best to leave on maybe citizens of Cache would slow down. No citations have been issued to anyone who has not abided by the flashing lights just a warning to please slow down. Also stated that maybe there needs to be construction signs along the highway.

CITIZENS PARTICIPATION:

Mr. Lou Phillips 506 Shady Lane. Last November he came to council meeting asking if council would be interested in his property, if so he would be willing to do a quit claim deed to the City. He has since gotten a letter from the City stating he needs to keep the grass cut and maintained. He thought that was taken care of. So he is here asking again, if this is possible that the City of Cache and City attorney could hammer this out. City attorney stated that this was up to the council. Mayor stated that he would work that out between the council and planning committee. Next meeting would be in July. If that is something that could be done it would be on the next agenda meeting.

Mr. Harold Anderson from Martineer Wireless asked again if there were any questions that needed to be answered. He would like to get started on the north water tower for the internet service.

Mayor asked that he get a contract/lease to the City attorney and would be put on the July agenda for a decision.

BUSINESS ITEMS:

Item #5: Questions were raised in regards to giving the City judge a raise and also what was covered under the contract labor. Both were explained to council by city clerk. Motion by Red Elk approving the 2018-19 budget for City of Cache. Second by Brady.

Vote: Runyan - No, Brady-Yes, Red Elk- Yes, Cook – No. Tie breaking vote by S. Komahcheet – Yes.

Item #6: Many residents from the Wildflower Addition was at the meeting tonight concerned about the covenants verses code enforcement ordinances. Council and City attorney explained that the City of Cache cannot enforce the covenants that is the homeowner's responsibility. Council also explained that the covenants could not supersede the City code ordinances. Mr. Joe Rendina asked if he could speak to the council. He handed out pictures of the houses of where the horses were and the amount of horses each house had. He stated statics on how much manure and urine that each horse could do and then said multiply that by as many horses out there. The smell, flies and dust is very bad. The code enforcement officer stated that she visited with Mr. Cherry today for 45 minutes and she could not smell anything and the flies were not that bad. Mr. Rendina stated that she was not out there when the wind was blowing out of the north and manure was piled up. Said also that there were numerous code violations out there including vehicles not licensed, 2 houses off of 1 meter. Mrs. Rendina asked when the code enforcement would be taking place on these violations and council stated that it should be within the month that is what our code enforcement officer would be looking at.
