

The City Council of Cache, County of Comanche, State of Oklahoma and the Cache Public Works Authority met in Special Session on the 2nd day of July 2012.

Members Present: Mayor Shawn Komahcheet, Manny Vega, Joe Brady, Steve Red Elk and Rosemary Cook.

Meeting was called to order at 7 p.m. by Mayor Komahcheet.

1. Pledge of Allegiance by Mayor Shawn Komahcheet.
2. Invocation: Jerry Randall

Announcements by Mayor and Council: None

Citizens participation: William Gregory at 201 Deer Drive stated that he did not know the council and that the council was not visible by the citizens of Cache to what they were doing for the City of Cache.

Annette Kissik: Stated that she wanted to say that she felt that we should give Juanita Foster another chance at her job. As far as what she could see she was doing a good job. That we needed to teach her if she was making mistakes and help her do better.

Molly Womack of 103 S Elk Drive. Stated that the shape of the City both streets and yard maintenance was terrible. Stated that she was trying to sell her house and the realtor stated that her appraisal would not be very good because of the neighborhood. She wanted to know who was responsible for following through with making the City clean up their property. She had pictures and presented those to the council of the weeds, old trucks, debris and appliances that were in the yards. Also she wanted to complain of the vehicles in the roads sometimes it is hard to drive down the roads because of the amounts of vehicles on the roads. She stated that there were no street lights in that part of the neighborhood and who she needed to get with to get those installed. Mayor stated that the code enforcement department was responsible for the citations and follow through of the debris and grass. That he was aware of the street situation because emergency vehicles could not get down there in case of emergencies. He appreciated the pictures and would visit with the code enforcer. Mayor stated that he would check into the light but thought that there was a light there at one time but it kept getting shot out or broken. Mr. Gregory stood up and stated that if she came by his place because of all of the debris that it was one mans trash is another persons treasure and that the City had other things to do beside determining what was trash or treasure. Mrs. Womack stated that when it was not taken care of then it was considered trash.

Edmond Trim: That we (City of Cache) dropped the ball on instructions for the animal control officer. That he had dogs stolen out of the back yard that had locked gates. The dogs were later returned.

Peggy Foster 701 West F. Stated that Juanita was dedicated to her job and she gets more donations than anyone has ever gotten for the City of Cache. That she cared for the animals. That the City of Cache needed to fix the roads and infrastructure of the City.
